THE SOUTH CARIBOO AND 100 MILE HOUSE

100 Mile House is located at the southern end of the Cariboo Region of BC. The area offers rustic charm, beautiful lakes, plentiful outdoor activities, unique “Guest” and “Dude” ranches, with lots of Cowboy Culture and history to soak up. 100 Mile is located 95 kms. south of Williams Lake, 330 kms south of Prince George, 190 kms northwest of Kamloops and 456 kms northeast from downtown Vancouver. The South Cariboo consists of various small and unincorporated communities in the outlying area surrounding the District of 100 Mile House and while 100 Mile House has a population of just over 2,000, *the population of the surrounding district totals greater than 20,000!*

The Cariboo district is *“Wrangler Nation”* and they are very strong supporters of their team. Game nights at the South Cariboo Recreation Centre routinely consist of upwards 500 fans and this number rises well over 600 to near full capacity as the regular season winds down and playoffs arrive. Many nights you can hear announced 50/50 pots ranging from \$750 to over \$1000!
