

100 Mile House Wranglers Junior Hockey Club
Presents:
**Team Tryout
and
Junior Hockey Exposure Camp**
May 20-22
Prince George, BC.

The 100 Mile Wranglers Hockey Club will be combining our Team Tryout Camp with a **Junior Hockey Exposure Camp.**

The purpose of creating this program:

- 1) Our team is looking for players and affiliate players to be involved as Wranglers for the upcoming hockey season.
- 2) We've also re-structured our tryout camp to be a Junior Hockey Showcase. The 100 Mile Wranglers' organization wishes our program to be **recognized as an asset to any player hoping to play at higher hockey levels, even if that player never played a game as a Wrangler!**

Camp format:

- Controlled scrimmages with rosters that include players currently playing at the Jr. A hockey level to add leadership, competitiveness, and tempo during games.
- Bench coaches representing multiple leagues and levels of hockey programs.
- 1 on 1 meetings with many of the Junior coaching staff throughout camp.

\$325.
(GST incl.)

From the Coach/GM:

"I am excited to, once again, present our camp in Prince George this May after "going dark" for the past 2 springs due to Covid.

In previous seasons of operation, we have had coaches and scouts involved from multiple leagues and programs such as Swan Valley (MJHL), Drumheller (AJHL), Nipawin (SJHL), Spruce Grove (AJHL), Olds (AJHL), Prince George (BCHL), Merritt (BCHL), Alberni Valley (BCHL), Everett (WHL), Dawson Creek (NWJHL) Princeton (KIJHL), North Okanagan (KIJHL), Osoyoos (KIJHL), to name a few.

I expect, once again, to have programs coming from all four western Jr. "A" leagues to be in attendance looking for prospects.

I created this camp for many reasons:

- A)** I use it to recruit for our club.
 - B)** I use it to promote the players on our club to Jr. "A" opportunities.
 - C)** I want our "Wrangler Program" to be recognized as a valuable tool for athletes seeking junior hockey opportunities
- Hope to see you at camp!"

Dale "Duner" Hladun
